The Principles of Accounts Syllabus (CXC 10/G/SYLL 17) was revised in 2016 for first examination in 2019.

Teaching is expected to commence on the revised syllabus in September 2017.

Please check the website, www.cxc.org for updates on CXC®'s syllabuses.
Principles of Accounts Syllabus

♦ RATIONALE

Accounting is the financial information system that provides relevant information to those who manage or use economic resources or engage in other economic activity. **Principles of Accounts** is a course of study that provides an introduction to the principles and techniques that accountants employ in measuring, processing, evaluating and communicating information about the financial performance and position of a business.

This course in Principles of Accounts helps students to develop an understanding of a range of theoretical and practical techniques used in Accounting. It helps to develop skills that should enable them to participate more effectively and responsibly in today’s business and technology-based environment, to improve the management of personal financial activities, such as, budgeting, savings and investment. In addition, this course prepares students for post-secondary and professional studies and entry level employment in Accounting.

The syllabus also seeks to instill twenty-first century skills as well as tenets of the Ideal Caribbean Person as articulated by the CARICOM Caribbean Education Task Force (CTF) and adopted by the CARICOM Heads of Government at their 18th Summit. To this end, the syllabus contains objectives, content and teaching, learning and assessment activities intended to nurture and improve students’ multiple literacy and critical thinking skills, as well as their management, economic and entrepreneurial skills and positive work ethic. In addition, in keeping with the UNESCO Pillars of Learning, on completion of this course of study students will learn to know, learn to be, learn to do, and to live together.

♦ AIMS

The syllabus aims to:

1. introduce fundamental concepts, practices and purposes of Accounting;
2. encourage the development of critical thinking and entrepreneurial skills;
3. foster attitudes useful in adapting to a dynamic business environment;
4. provide a foundation for further studies in accounting;
5. foster an awareness of the place of technology in Accounting; and,
6. provide an acceptable level of competence for entry-level employment.
♦ GENERAL OBJECTIVES

On completion of the syllabus, students should:

1. identify, utilise and interpret financial data that will facilitate proper decision-making by users of accounting information;
2. appreciate the use of accounting practices as a tool for efficient business management;
3. develop critical thinking, problem-solving, and entrepreneurial skills;
4. appreciate the importance of ethical behaviour and accountability in both public and private organisations;
5. develop an awareness of the role and impact of technology in Accounting; and,
6. acquire knowledge and skills appropriate for entry-level employment or further studies.

♦ SKILLS AND ABILITIES TO BE ASSESSED

The assessment will test the following skills and abilities:

1. Literacy and Numeracy/Communication
   
   (a) use jargon of the field, formulae, form and style relevant to the field, English;
   
   (b) recall, select, and use business-related theories, principles, concepts and methods; and,
   
   (c) develop reasoned expositions on theories and policies used in Accounting.

2. Critical thinking and problem-solving
   
   - identify and analyse problems and formulate solutions.

3. Interpretation
   
   - interpret data and draw logical conclusions.

4. Research and statistics
   
   (a) gathering relevant data; and,
   
   (b) using appropriate strategies to present them.
ORGANISATION OF THE SYLLABUS

The syllabus is arranged in 11 Sections, consisting of specific objectives and related content.

SECTION 1 - ACCOUNTING AS A PROFESSION
SECTION 2 - ACCOUNTING AS A SYSTEM
SECTION 3 - BOOKS OF ORIGINAL ENTRY
SECTION 4 - LEDGERS AND THE TRIAL BALANCE
SECTION 5 - THE PREPARATION AND ANALYSIS OF FINANCIAL STATEMENTS OF THE SOLE TRADER
SECTION 6 - ACCOUNTING ADJUSTMENTS
SECTION 7 - CONTROL SYSTEMS
SECTION 8 - ACCOUNTING FOR PARTNERSHIPS
SECTION 9 - ACCOUNTING FOR LIMITED LIABILITY COMPANIES, COOPERATIVES AND NON-PROFIT ORGANISATIONS
SECTION 10 - MANUFACTURING AND INVENTORY CONTROL
SECTION 11 - ACCOUNTING FOR THE ENTREPRENEUR

RECOMMENDED TEACHING APPROACHES

To facilitate students’ attainment of the objectives of this syllabus, teachers are advised to note the guidelines listed below.

1. The syllabus provides students with a grounding in fundamental concepts, practices and skills of Accounting. The major focus of the syllabus, however, is on the application of these concepts, practices and skills to aid the understanding of issues and problems both at the global and regional levels.

2. Teachers are encouraged to develop lessons using themes that encompass topics from different sections of the syllabus. Therefore, during the delivery of instruction, teachers should highlight those topics across the syllabus that are related, in order to indicate the relevance and relationships.

3. Teachers should use a variety of methodologies, such as role play, case studies, simulations, field trips, games, and presentations by resource personnel. Practical assignments and discussions on topical issues should be used where possible. Throughout the syllabus, an asterisk* is used to highlight specific objectives for which practical activities are imperative.

4. Where tangible and physical examples are not feasible, teachers are advised to utilise the resources on the internet and other electronic media, such as the Notesmaster learning content platform where selected resources are housed to support the syllabus.
♦ SUGGESTED TIMETABLE ALLOCATION

It is recommended that a minimum of five (5) 40-minute periods per week (over a two-year period) or the equivalent should be allocated to the syllabus.

♦ CERTIFICATION

Candidates who sit the CSEC® Principles of Accounts examinations will be awarded an overall grade on a six-point scale. In addition to the overall grade, candidates’ performance will be reported by a letter grade under profile dimensions of Knowledge/Comprehension, Application, Interpretation and Analysis. These profile dimensions are explained below.

♦ DEFINITION OF PROFILE DIMENSIONS

1. Knowledge/Comprehension

The ability to:

(a) state, list or identify accounting concepts, terms and principles;

(b) define and explain accounting concepts, principles, theories and procedures; and,

(c) demonstrate an understanding of basic accounting concepts, principles, and skills.

2. Application

The ability to:

(a) apply accounting concepts and principles to analyse issues; and,

(b) apply accounting concepts, principles and skills to solve problems in various situations.

3. Interpretation and Analysis

The ability to:

(a) select, organise and interpret accounting data presented in a variety of forms; and,

(b) organise and present, logically and effectively, accounting ideas and arguments using verbal, graphical and numerical forms of communication.
**FORMAT OF THE EXAMINATIONS**

The examination consists of Paper 01, Paper 02 and Paper 03 (School-Based Assessment). Paper 032 (alternative to the School-Based Assessment) is offered to private candidates as an alternative to the School-Based Assessment.

**Paper 01**
(1 hour 30 Minutes)
(60 marks)
A multiple-choice test of 60 items testing the profile dimensions Knowledge/Comprehension, Application, Interpretation and Analysis. The paper will sample proportionately, all sections of the syllabus as outlined below.

**Paper 02**
(3 hours)
(100 marks)
A problem-solving paper which will test the profile dimensions of Knowledge/Comprehension, Application (of accounting principles and skills) and Interpretation of data in the ratio 1:2:1.

Paper 02 consists of five compulsory questions drawn from the entire syllabus. Each question will be worth 20 marks.

**Paper 031**
(SBA)
(40 marks)
A School-Based Assessment (SBA) component covering the Profile Dimensions of the syllabus. Details are given on pages 32–36.

**Paper 032**
(1 hour 30 minutes)
(40 marks)
A set of compulsory short answer questions based on case studies. Details are given on pages 37.

REGULATIONS FOR PRIVATE CANDIDATES

Private candidates must be entered for the examination through the Local Registrar in their respective territories. They will be required to sit Papers 01, 02, and Paper 032.

Paper 032 is a written examination designed for candidates whose research projects cannot be monitored by tutors in a recognised educational institution and who have been assigned by the Local Registrar to write Paper 032 at a designated examination centre.

REGULATIONS FOR RESIT CANDIDATES

Resit candidates who have obtained a MODERATED score of 50 per cent or more of the SBA marks will not be required to repeat this component of the examination provided that they write the examination in the academic year immediately following their first sitting of the examination. Resit candidates who failed to achieve 50 per cent of the total SBA marks must repeat the project during the academic year in which the examination is repeated. Resit candidates must indicate at registration that they are resit candidates. See Regulations for the January Sitting.

REGULATIONS FOR THE JANUARY SITTING

1. All candidates for the January sitting who are taking CSEC® Principles of Accounts examination for the first time MUST write Paper 032.
2. There is no SBA option (Paper 031) available for January for candidates who are writing the examination for the first time.
3. A resit candidate refers to a candidate who wrote Paper 031 (SBA) in the year immediately preceding the January examination, and obtained a MODERATED score of 50 per cent or more. Such a candidate is NOT required to write Paper 032 in January.
4. A candidate who qualifies as a resit candidate, that is, a candidate who obtained a MODERATED score of 50 per cent or more, but who wishes to try to improve on his/her grade, may write Paper 032 in January.
5. A candidate who did NOT qualify as a resit candidate, that is, who did not obtain 50 per cent or more in the SBA and who wishes to write the examination in January MUST write Paper 032.
## SECTION 1: ACCOUNTING AS A PROFESSION

### SPECIFIC OBJECTIVES

Students should be able to:

1. **explain the concept and purposes of Accounting;**
   - Concept of “Accounting” and “Principles of Accounting”.
   - Accounting as a business practice – the purpose of Accounting.

2. **identify the users of accounting information;**
   - Internal and external users of accounting information and their needs.

3. **describe traditional and emerging careers in the field of Accounting;** and,
   - Careers in areas such as:
     - (a) banking;
     - (b) management;
     - (c) insurance; and,
     - (d) entrepreneurship.

SECTION 1: ACCOUNTING AS A PROFESSION (cont’d)

Suggested Teaching and Learning Activities

To facilitate students’ attainment of the objectives of this Section, teachers/facilitators are encouraged to engage students in the teaching and learning activities below.

1. Have students conduct research on the concept and purposes of Accounting, and identify the users of accounting information to form the basis of class discussions.

2. Have students conduct research on traditional and emerging careers in the field of business to include accounting specialisations.

3. Have students conduct research on ethical and unethical practices in Accounting and participate in a debate.

4. Assign students to groups and have each group examine articles and case studies regarding ethical issues. Each group should present their findings to the class.

## SECTION 2: ACCOUNTING AS A SYSTEM

### SPECIFIC OBJECTIVES

Students should be able to:

1. outline the concepts and conventions that guide the accounting process;
   - (a) accounting concepts and conventions; and,
   - (b) principles which guide the accounting process:
     - (i) accrual and matching;
     - (ii) prudence (conservatism);
     - (iii) consistency; and,
     - (iv) separate entity.

2. describe the accounting cycle;
   - The accounting cycle with its diagrammatic representations.

3. appraise the accounting features of various types of business organisations;
   - Types of business organisations:
     - (a) Sole Traders;
     - (b) Partnerships;
     - (c) Corporations (Limited Liability companies);
     - (d) Cooperatives; and,
     - (e) Non-Profit Organisations.

4. identify the main financial statements prepared by various business organisations;
   - Financial Statements:
     - (a) Income Statement (Trading and Profit and Loss A/C);
     - (b) Income and Expenditure A/C;
     - (c) Balance Sheets; and,
     - (d) Cash Flow Statements.

( Teachers are not expected to teach how to prepare the financial statements at this stage. However, the Income and Expenditure A/C should only be identified and the purpose stated). See Section 9.

SECTION 2: ACCOUNTING AS A SYSTEM (cont’d)

Suggested Teaching and Learning Activities

To facilitate students’ attainment of the objectives of this Section, teachers/facilitators are encouraged to engage students in the teaching and learning activities below.

1. Group students and assign each group to research and report on specific concepts and conventions that guide the accounting process. Encourage them to start individual collections of different artefacts to create a portfolio which they should develop as the course progresses.

2. Invite guest speakers to speak on the accounting features of various types of business organisations, or arrange for students to go on field trips which allow them to have first-hand experiences of various accounting features of organisations.

3. Invite guest speakers to speak on accounting software or arrange for students to go on field trips which allow them to have first-hand experiences of various accounting software used in organisations.

4. Engage students in research to identify the main financial statements prepared by various business organisations. Samples of these should be collected and a portfolio started.

5. Engage students in research and debate to assess the role and impact of technology on the accounting process.

6. Engage students in the construction of Balance Sheets after discussions, and demonstrations by the teacher.

# SECTION 3: BOOKS OF ORIGINAL ENTRY

## SPECIFIC OBJECTIVES

Students should be able to:

1. **explain the uses of books of original entry;**

   - **CONTENT**
     - The uses of Books of Original Entry:
       - (a) general journal;
       - (b) purchases book;
       - (c) sales book;
       - (d) returns outwards book/purchases returns;
       - (e) returns inwards book/sales returns;
       - (f) cash book; and,
       - (g) petty cash book.

2. **distinguish between cash and credit transactions;**

   - **CONTENT**
     - Cash and credit transactions.
     - The use of forms of payment including:
       - (a) cash;
       - (b) cheques;
       - (c) credit cards; and,
       - (d) debit cards.

3. **identify source documents related to books of original entry;**

   - **CONTENT**
     - Source documents related to the books of original entry:
       - (a) sales invoice;
       - (b) purchases invoice;
       - (c) credit notes;
       - (d) debit notes;
       - (e) petty cash vouchers;
       - (f) receipts from cash transactions; and,
       - (g) non-cash transactions.
SPECIFIC OBJECTIVES

Students should be able to:

5. *translate source documents into transaction descriptions;* Use source documents prepared to create transactions.

6. *use source documents to make entries into books of original entry;* Identify the book of original entry to which transactions will be recorded.

Record transactions using source documents:

(a) purchases book;

(b) sales book;

(c) returns inwards book/sales returns;

(d) returns outwards book/purchases returns;

(e) cash book; and,

(f) petty cash book.

7. distinguish between trade and cash discounts; Treatment of trade discounts and cash discounts.

8. distinguish between discounts allowed and discounts received; Cash discounts – discounts allowed and discounts received.

(b) Balancing the petty cash book using the Imprest System.

10. interpret the balances of the cash books; and, The significance of the balances brought down on the cash books.

11. *indicate treatment of totals from books of original entry.* Treatment of the totals from the books of original entry (Day Books).

SECTION 3: BOOKS OF ORIGINAL ENTRY (cont’d)
**Suggested Teaching and Learning Activities**

To facilitate students’ attainment of the objectives of this Section, teachers/facilitators are encouraged to engage students in the teaching and learning activities below.

1. Engage students in activities which require them to collect, prepare and translate source documents into transaction descriptions. Encourage students to collect artefacts of the different books of original entry and make individual entries in their portfolio.

2. Engage students in activities which require them to use source documents to make entries into books of original entry. Discuss the impact of technology (for example in online transactions), and incorporate the use of related documents as much as possible in the activities.

3. Engage students in activities which require them to balance the cash book and petty cash book. Discuss the impact of technology (for example in online transactions), and incorporate the use of related documents as much as possible in the activities.

**RESOURCES**

## SECTION 4: LEDGERS AND THE TRIAL BALANCE

### SPECIFIC OBJECTIVES

Students should be able to:

1. *describe the different classes of accounts;*

   - **Classification of accounts:**
     - (a) Nominal – expenses and revenue;
     - (b) Real – assets; and,
     - (c) Personal – accounts receivable and accounts payable.

2. *identify the different types of ledgers;*

   - **Different types of ledgers for recording nominal, real and personal accounts:**
     - (a) general ledger;
     - (b) sales/accounts receivable ledger; and,
     - (c) purchases/accounts payable ledger.

3. *explain the significance of debit and credit in each class of account;*

   - Rules of entry for assets, liabilities, income (revenue), capital and expenses.

4. *draw up simple account formats, neatly and accurately;*

   - Recording transactions in accounts using the double entry system.

5. *post from books of original entry to the general ledger and the subsidiary ledgers;*

   - Posting to general and subsidiary ledgers.

6. *balance and close accounts;*

   - Balancing accounts: calculation of the balances carried down (c/d) and bringing down (b/d) those balances.

7. *interpret entries and balances;*

   - The significance of the balances brought down on the accounts.

8. *use the balances brought down to construct the trial balance; and,*

   - Preparation of the Trial balance.

9. *outline the uses and limitations of the trial balance.*

   - Uses and limitations of the trial balance.
SECTION 4: LEDGERS AND THE TRIAL BALANCE (cont’d)

Suggested Teaching and Learning Activities

To facilitate students’ attainment of the objectives of this Section, teachers/facilitators are encouraged to engage students in the teaching and learning activities below.

1. Engage students in activities which require them to draw up simple account formats included in this Section of the syllabus. Attention should be paid to neatness and accuracy.

2. Engage students in activities which require them to prepare the trial balance. Attention should be paid to neatness and accuracy.

SECTION 5: THE PREPARATION AND ANALYSIS OF FINANCIAL STATEMENTS (cont’d)

**Suggested Teaching and Learning Activity**

To facilitate students’ attainment of the objectives of this Section, teachers/facilitators are encouraged to engage students in the teaching and learning activity below.

Engage students in activities which require them to calculate ratios to determine the financial position of a business. Real figures should be provided from published reports and other authentic sources, for example, business prospectus and company annual reports which may be found on their websites as well as in print. Students should use these ratios to determine the performance (profitability) of the business. They should prepare simple reports evaluating the business based on ratios and make recommendations.

GUIDELINES TO TEACHERS FOR THE CONDUCT OF THE SCHOOL-BASED ASSESSMENT IN BUSINESS STUDIES (PRINCIPLES OF ACCOUNTS, PRINCIPLES OF BUSINESS AND ECONOMICS)

School-Based Assessment (SBA) is an integral part of student assessment in the course covered by this syllabus. It is intended to assist students in acquiring certain knowledge, skills and attitudes that are associated with the subject. The activities for the School-Based Assessment are based on the syllabus and should form part of the learning activities to enable the student to achieve the objectives of the syllabus.

During this course of study, students obtain marks for the competencies they develop and demonstrate in undertaking their SBA assignments. These marks contribute to the final marks and grades that are awarded to students for their performance in the examination.

The guidelines provided in this syllabus for selecting appropriate tasks are intended to assist teachers and students in the selection of assignments that are valid for the purpose of School-Based Assessment. The guidelines provided for the assessment of these assignments are intended to assist teachers in awarding marks that are reliable estimates of the achievement of students in the School-Based Assessment component of the course. In order to ensure that the scores awarded by the teachers are consistent with the Caribbean Examinations Council’s standards, the Council undertakes the moderation of a sample of the SBA assignments submitted by the school.

School-Based Assessment provides an opportunity to individualise a part of the curriculum to meet the needs and interests of students. It facilitates feedback to the student at various stages of the experience. This helps to build the self-confidence of students as they proceed with their studies. The SBA also facilitates the development of research and analytical skills, and critical skills and abilities, emphasised by the subject and enhances the validity of the examination scores.

RESEARCH PROJECT

The School-Based Assessment component of the syllabuses in Business Studies is a single guided research project for school candidates. The project should involve the manipulation of research data including data collection, analysis and interpretation. All activities selected must be within the law and must lend themselves to the collection of business data and application of business principles identified in the mark scheme.

Students are required to investigate a topic, issue or problem in a business related area of study (Principles of Accounts, Principles of Business and Economics). Students should:

1. identify the issue, topic or problem to be investigated;
2. discuss the background to the issue, topic or problem;
3. state the objective of the investigation;
4. describe methodology and instruments used to collect data;
5. present and analyse the data;
6. state the conclusion based on findings;
7. make recommendations (at least two) based on the findings;
8. acknowledge sources (bibliography); and,
9. include appendices: questionnaire, source documents, diagrams, charts, interview questions and statistical data.

Examples of possible organisations and areas for research:
1. school’s cafeteria and stationery shop;
2. snack shop at school events;
3. school projects (for Agriculture Science, Home Economics, TVET and Junior Achievement programmes);
4. income and expenditure statements;
5. business plans;
6. published financial reports such as those found in the business section of local newspapers, statistical reports including national income statistics, balance of payments statistics, survey of living conditions, household budgetary surveys, annual economic reports of Central Banks, Ministries of Finance and Planning Units, annual reports of firms in the region, budget speeches of ministers of Finance or reviews of estimates of income and expenditure for ministries of Finance;
7. economic information available on the internet (for example, e-commerce);
8. events coordinated by students such as concerts and fashion shows; and,
9. sporting and other cultural clubs at school or in the community.

SBA REQUIREMENTS

Every candidate who enters for the CSEC® Principles of Accounts examination must submit a report on a project. Students may work individually or in groups to gather the data. Each candidate must be identified on the report. The report should not exceed 1,000 words, (not including appendices). Wherever a report exceeds the maximum length for the project by more than 10 per cent, the teacher must impose a penalty of 10 per cent of the score achieved on the project. On the report, the teacher should clearly indicate the original score – that is, the score before the deduction is made – the marks which are to be deducted, and the final score awarded after the deduction has been made.

Only the final score is to be indicated on the record sheets which are submitted to CXC® electronically via the SBA data capture module on the Online Registration System (ORS) on the Council’s website.
Students doing more than one subject in the Business cognate group (Principles of Accounts, Principles of Business, and Economics) should submit one SBA report based on a topic relevant to the subjects being taken by the student and which allows the student to utilise skills that are common and relevant to the field of Business.

PROJECT REPORTS

A student’s report should be presented electronically and should comprise the following in the order prescribed below.

1. **Table of Contents**
2. **Topic, Issue or Problem**
3. **Objective of the Project (The objective should be related to the issue and NOT the SBA)**
4. **Background to OR Overview of the Topic, Issue or Problem**
5. **Methodology (Data collection and instrumentation)**
6. **Presentation and Analysis of Data**
7. **Conclusion**
8. **Recommendations**
9. **Bibliography**
10. **Appendices**

### MANAGEMENT OF THE PROJECT

School-Based Assessment tasks should be completed in the course of normal teaching time and supervised and marked by the teacher. Although some of the data collection and research work must be undertaken outside of normal school time, the teacher must be satisfied that the work submitted for assessment is the student’s own work.

The teacher must:
1. provide assistance to students in the selection of projects;
2. advise students of the nature of the task, the scope and depth required to fulfill the requirements of the SBA;
3. advise on the availability of resource materials;
4. monitor students’ progress by advising them of the quality of their work and by recommending ways to improve the quality of the project;
5. collect and grade students’ projects;
6. keep records of students’ marks and submit these, together with samples of their work, as requested by CXC®; and,
7. ensure that the SBA guidelines are closely followed and the marking criteria are adequately met.

◆ GUIDELINES TO TEACHERS FOR THE ALTERNATIVE TO SCHOOL-BASED ASSESSMENT

The Alternative to the School-Based Assessment in CSEC® Principles of Accounts (Paper 032), is offered to private candidates and takes the form of a written examination in lieu of the School-Based Assessment for school candidates. Private candidates are required to write Paper 032 in addition to Paper 01 and Paper 02.

Paper 032 will consist of a case study and candidates will be required to answer questions based on the case study. It is weighted in the same way as the Paper 031 (SBA) for school candidates, as shown in the table below.

<table>

Candidates are advised to familiarise themselves with the syllabus in order to prepare adequately for Paper 032. Please note that candidates taking Paper 032 are NOT required to submit a project.

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

1. This test consists of 60 items. You will have 1 hour and 30 minutes to answer them.

2. In addition to this test booklet, you should have an answer sheet.

3. Each item in this test has four suggested answers lettered (A), (B), (C), (D). Read each item you are about to answer and decide which choice is best.

4. On your answer sheet, find the number which corresponds to your item and shade the space having the same letter as the answer you have chosen. Look at the sample item below.

Sample Item

Prime cost is calculated by adding direct factory expenses to the

(A) cost of goods sold
(B) sale of fixed assets
(C) sale of finished goods
(D) cost of materials used

Sample Answer

(A) (B) (C) 

The best answer to this item is “cost of materials used”, so (D) has been shaded.

5. If you want to change your answer, erase it completely before you fill in your new choice.

6. When you are told to begin, turn the page and work as quickly and as carefully as you can. If you cannot answer an item, go on to the next one. You may return to that item later.

7. You may use a silent, non-programmable calculator to answer items.

Question 2 cont’d

(c) The cash book cash and bank columns both have a debit balance which indicates that the cash in hand is $955 and cash in bank is $5,176. Cash in hand will always have a debit balance as it is a current asset and a business cannot spend more cash than it has. Bank is also a current asset with a normal debit balance as the business is not in overdraft with the bank. The petty cash book also has a debit balance of $81.85. Following the imprest system, the cashier would then need to reimburse $218.15 to start the following month.
